COMMENTS FROM THE TOWN MANAGER'S OFFICE

Just a reminder that the annual town meeting will open at 10:00 a. m. at Odeon Hall next Monday, March 3rd. After the meeting is opened the balloting for town officers will take place at the Community Room and will continue through to 6:00 p. m. The business session will open at 8:00 p. m. at Odeon Hall.

The new nursing and rest home care program authorized by the last legislature for recipients of Old Age Assistance as well as other types of public assistance is now in operation. This program will benefit the town as the state now pays direct to the nursing home the difference between the recipient's pension and the amount of the board.

The town recently received a check in the amount of \$266.50 for partial reimbursement covering expenditures for O.A.A. cases from September through December. The amount received was two thirds the actual expenditures for this period.

Sincerely,

Harold L. Boas

Grade 5 - Mrs. Kneeland

Miss O'Connor our penmanship teacher came Tuesday, and from a blue star we got a gold seal. We are very happy and proud of it. We worked very hard to make our bulletin board attractive. We have a display on famous people called "The Making of Our Country." This is the week for oral book reports. Wish you would come and hear them. --Reporters, Bethany Bean and Barbara Hutchinson.

Grade 4 - Miss Varner

Our Valentine party was a success. We think the co-chairmen, Douglas Bane and Jonathan Stowell, had the party well planned. Everyone had a good time. --Miss O'Connor was here Tuesday. We are looking forward to the 8th Grade Fair, Friday night. --We enjoyed our week's vacation. Those who liked skiing surely had plenty of snow to ski on. --Most of us were glad to get back to school. Thirteen more weeks to go! Linda Paine and Alan Chapman have had perfect attendance so far this year. --We have started studying Central America in Social Studies. --Reporter, Danny Long.

Grade 6 - Mrs. Doris Lord

We are making "acrostics" on Washington and Lincoln. Each day a boy or girl to bring to class a

Christie (piano). There will be two different types of songs, one a Brazilian type with Louie Kennedy (accompanist) and the other, the more ornate Continental type, arranged for two trumpets (David Gibson and Michael Hathaway) and piano and drums (Dawson Christie and Bill Tallon). Vocal group selections will bring us down to Brazil and the far-away Peruvian highlands with Ann Carter, Ruth Willard, Mary Head, and Louise Kennedy doing the girls' parts and the male quartet (Hathaway, Merrill, Day, and Tallon) featuring the boys' parts. The manuscript for the continuity was provided by Dawson Christie, while Ruth Willard will serve as speaker. Lights and staging are being handled by Dawson Christie and Herbert Morton. The program will last approximately an hour. The public is most cordially invited to attend.

Slight Drop in Bethel Appropriations --School Funds \$5,500 Over 1957-- War Memorial and Airport Approved

Although Bethel's total appropriations at the annual town meeting Monday night are \$400 under the 1957 figure, it is considered unlikely that the 1957 tax rate can be expected this year. Loss of property by fire and lower mill inventories may not be offset by new construction or other taxable property found by the assessors next month.

Sparked by an appeal for relief of "underpaid" teachers by Dana C. Douglass, Jr., the citizens enthusiastically favored an appropriation of \$38,000 for school maintenance. This amount was an increase of \$1250 over the \$36,750 asked by the school committee and accepted for recommendation by the budget committee.

Due to sewer troubles since the budget committee's meeting, the voters were willing to spend an extra \$200 on that account, but refused to go higher for winter roads, although the past few weeks have made an overdraft of the \$12,000 appropriation most likely.

It was voted to borrow \$3,500 in anticipation of 1959 State Aid funds, to be used with an appropriation this year of \$1500 in construction of a half mile of road at Middle Intervale. Explanation was that interest on this amount would be less than cost of maintenance on other years.

A short discussion resulted in a pass over motion on the Rumford Hospital donation article, which was not opposed successfully. The

MEDICAL MISSIONARY TO BE QUEST SPEAKER AT BUTTER AND PROGRAM NEXT THURS.

A favor of two countries will be the feature of a unique program sponsored by the Women's Fellowship of the West Parish Congregational Church, Thursday evening, March 3, to which the public is cordially invited.

Circle 3 under the leadership of Mrs. Harold Truward, will serve a Mexican Supper at 6:30. Following the supper, the evening program in Garland Chapel, in charge of the program committee, Mrs. Anna Hastings and Mrs. Margarette Hartlett, will present as the guest speaker, Miss Ethel Lovatt, R. N., Director of Nursing Service at the Asarab Smith Hospital, Galesburg, Turkey.

The supper committee headed by Mrs. Lucille Marston and Mrs. Janet Macdonald, has arranged an authentic Mexican menu of Arroz Con Pollo, Guacamole Salad, Fritas, Fruit Ice, Mexican Wedding Cake and Cofe Chico. Tickets must be purchased in advance from Mrs. Gertrude Hotelling.

The guest speaker will bring her audience a touch of Turkey and the Orient in her address. She has an interesting story to tell and the entire program will help to deepen our awareness of the needs of Christian Fellowship that reach around the world.

Miss Lovatt is no stranger to Maine. She was educated at Lubec High School, Farmington State Normal School, and Boston University School of Education. She received her professional training and R. N. degree at Peter Bent Brigham Hospital, Boston, and took special work at Boston University School of Nursing. In preparation for her work in the Orient, she studied at the Yale Institute of Far Eastern Languages.

She began her career as a Congregational medical missionary 10 years ago in China. She was interested in that country following the outbreak of the Sino-Japanese War. She served in a POW camp hospital and returned to the United States and worked for a time in the Salem, Mass. Hospital.

In 1946 she resumed her duties as superintendent of nurses at the Bethel Hospital near Bethel. The country was in a state of ferment and disorder after the departure of the Japanese and her work was constantly hampered. Miss Lovatt finally transferred her work to the New Year and has been directing the nursing service at the Asarab Smith Hospital in Galesburg, Turkey. She is now in the country on furlough.

It is to be an outstanding program and the Women's Fellowship hopes that many will plan on being present.

AN APPRECIATION

With the death of Clio Russell comes of people in Bethel and surrounding country have the sad realization that the familiar figure of this loyal citizen and long-time public servant has passed from their sight.

The biographical facts were outlined in last week's Citizen but the writer will attempt to express some appreciation of those qualities which marked her womanhood and her life of devoted service.

As a student at Gould Academy we saw her as dignified, courteous, reserved but friendly, applying herself to her school duties with an earnestness that merited the admiration of her teachers and schoolmates.

The writer was not in close contact with her during her years of teaching but one who has listened to her reminiscences of her experiences in teaching feels sure that she had an individual interest in her pupils and that she left with them an imprint of the ambition, honesty, thrift and devotion to the task in hand which characterized her entire life.

Patrons of the Bethel post office during the 23 years she was employed there, 13 of which she served as postmaster, testified to her faithfulness and efficiency in her work, while her cheerful personal greeting at the window won for her a wide circle of friends. The same high degree of efficiency was recognized during the four years she was employed at the Bethel National Bank.

Since her retirement from the post office Clio has exemplified the old adage "A friend in need is a friend indeed." Occasionally she has substituted at the post office and for a time served as clerk at the Bethel Inn. Her position as house mother at the Nurses' Home of the Rumford Community Hospital gave evidence of her versatility. Many have seen her labors of love as she has assisted in the home or cared for a sick relative or friend.

Her community activities have gradually lessened in later years but some of our readers will recall her loyal service to the Congregational Church and the Bethel Lodge. As clerk of the West Parish and treasurer of the Sunset Bethel Lodge her duties were performed with her usual promptness and accuracy. When a supper was served at the church or Bethel Lodge it was a foregone conclusion that Clio would make the table.

In recent years much of her leisure time was spent in reading. Few of our citizens are better posted on current topics, State and National. The radio and television added much to her enjoyment.

Above all the attributes of her personality is that of a sincere, loyal and generous friend.

Although she had no family of her own, she has taken a great interest and joy in her circle and neighbors and their families and has given unstintingly of herself for their happiness while they in turn have reciprocated with their thoughtfulness of her.

Many readers of this tribute will say with the writer, "Well done, good and faithful servant. Enter thou into the joy of thy Lord."

On the afternoon of Feb. 15 at 9 p. m. a party was given to Miss Betty Ann Fuller in honor of her eighteenth birthday by her mother, assisted by Mrs. Joan Fuller. Games and refreshments were supplied by all those attending were Mrs. Mary Eaton, Doris and David, Ruth Kimball, all of West Bethel.

HOW TO DRIVE

A tip from the AAA's driving guide for adults.

HIGHWAY HYPNOSIS

The high-speed expressway network that is being built throughout the country will solve many of our worst traffic problems. At the same time it will create new problems for many drivers, one of the most important of which is to stay alert while driving mile after mile on broad, straight, level roadway. The constant purr of the engine, hum of the tires, sameness of the scenery, and general monotony can bring about a sub-alert state in drivers known as "highway hypnosis." It's a deadly master, and people under its spell have been known to drive right off broad, straight roads, plow into other traffic, and even doze off the wheel.

HOW TO DRIVE, the AAA's book for adult drivers, contains these tips that will help you avoid "highway hypnosis": eat light meals, wear comfortable clothes, avoid heavy smoking, get plenty of fresh air, sing, talk with your passengers, listen to a lively radio program, and stop every hour or two whether you feel like it or not. When you stop, walk around, exercise or have a cup of coffee. Do everything you can to keep alert.
